All product dimensions are generally nominal and affected by tolerances. Product information shown in this price list is based on current information and is subject to change without notice. If under any law now or hereafter passed, the seller is required to pay a tax on sales, or an excise tax, the amount of these taxes will be added to the invoice value. Applicable federal, state, and local taxes, in connection with orders placed with seller, are the sole responsibility of purchaser and are not included in the price. Orders will be filled with reasonable promptness, but FADE Gear, LLC, shall not be held responsible for any loss or damage resulting from delay in filling orders by reason of fire, strikes, differences with employees, government regulations, accidents, delays by common carriers, or other causes beyond our control.

ORDER ACCEPTANCE

Orders are accepted on the basis that they will be invoiced at prices and terms in effect at time of shipment. Prices quoted are F.O.B. shipping point. To simplify ordering and assure accuracy, orders will be placed using a FADE Gear, LLC order number. Orders received for quantities other than standard box quantities will be rounded up to the nearest standard box quantity. Verbal orders must be confirmed via fax for verification. Duplication of shipments and orders resulting from receipt of purchase orders not clearly marked as confirming will be at purchaser's expense. Non-stock, special orders may be subject to a prepayment of a portion of the selling price. Customer Service will determine the qualification by item and notify Customer. An order confirmation will be sent upon order acceptance. Errors or changes must be made right away as we try to ship by the following business day.

MINIMUM ORDER

If material to be returned is an error on seller's part, full credit will be issued and freight will be paid for the return. Returns that are approved, and are not the seller's error, will be subject to a minimum 35% handling charge and buyer pays the freight charges for the return. RGA is only valid for 30 days from the issue date. If material is not returned within 30 days from the issue date, the RGA will be voided and the return will be denied.
